

RC32: Women, Gender, and Society

Competitive ISA Membership Grants for New Students

Deadline to Submit Application: November 15, 2022

The International Sociological Association membership grants for students: RC32 will allocate ISA and RC32 four-year membership grants for new students to join the ISA and RC32 as follows:

- up to 3 students from category A countries
- up to 5 students from category B and C countries

For a list of countries in these categories, click [here](#).

We are asking current members to nominate one new student for free membership for four years.

Eligibility

- Students enrolled in a BA, MA, or PhD program in sociology and related social science disciplines

Application

Fill out the application on the following page that includes a 200-word statement by the supervisor regarding the student's research and community-engaged activities, a 200-word statement by the student regarding why they are interested in being a member, and the student's CV. Each member can submit only **ONE** application. Please send applications to our secretary: Alicia Itati PALERMO, aliciaipalermo@gmail.com.

Application
