

NOTE:

RC members are hereby informed to check the names/titles of the new, merged and split RCs and also see the list of RC conveners and their snail/email/mobile nos. on the website.

If RC members have paid membership fees and continue to be members in 2018 of any of the RCs which have new names, have been split or merged they have the choice to continue with the earlier RC or shift to any new RC by informing the Society's office together with the old and new RC conveners. Their membership will remain valid for the years for which they have paid their dues.

Those who were members of Adhoc Groups which are now upgraded to RCs (RCs 25, 26 and 27) will have to renew their subscription by paying 5 year membership from 2018 onwards.
