Dear Colleagues,

Warm greetings to all.

You may be already aware that the 49th All India Sociological Conference (AISC) will be held at BML Munjal University, Gurgaon from the 22nd to 24th December 2024. I am looking forward to your presence and active participation. Kindly block the dates. We shall get back with more details soon.

I had in my earlier letter mentioned some of the key initiatives that the ISS was deliberating upon with the intent to develop robust sociological research, writing, and publishing skills among the younger generation. It gives me great pleasure that thanks to the Secretary, all the Managing Committee members, Regional Associations, Convenors of the Research Committees we have begun with multiple academic workshops as well as lecture series. Most of the lectures and proceedings of the workshops are available on the ISS Social Media Platforms.

You will recall from my earlier letter that the Managing Committee held on 9th March 2024 had delinked the Young Research Scholars Workshop (YRSW) from the Annual Conference. Happily for us various institutions have approached us with proposals to hold the YRSW. The first of these will be conducted by IIT Delhi on 16-18 October 2024.
