

**WEBSITE REDEVELOPMENT
INDIAN SOCIOLOGICAL SOCIETY
CALL FOR TENDERS/PROPOSALS**

The Indian Sociological Society (ISS) is looking to rebuild its website. One can read more about us [here](#). We are a professional body of sociologists cutting across India and abroad.

We are calling for tenders to make the existing website more user-friendly and dynamic. Preference will be given to people/companies/firms who have designed academic web portals earlier.

If interested, please send us your full portfolio, expected quotations and links to websites that you have designed to societyinsoso@gmail.com addressed to the President, ISS by 31st May 2024.

Website Committee, ISS
