Research Committees (RCs) are vital for the functioning of the Indian Sociological Society, a professional body of sociologists. They reflect new developments in the discipline and facilitate informed academic discussion on the theme of the RC. I am happy to learn that RC 25 has its own newsletter. Discussions on different dimensions of sociology of sports, I am sure will be carried here. My best wishes.

It is a pleasure to extend my warm greetings to the members of Research Committee 25: Sociology of Sports. Your ongoing work highlights the growing importance of sports as a site for sociological inquiry, reflecting power, identity, culture, and change in contemporary society. As India advances toward its vision of Viksit Bharat @2047, the role of sports in shaping social values, inclusion, and national pride becomes ever more significant. Your research in this domain not only contributes to academic discourse but also informs policy, education, and community engagement. The Indian Sociological Society takes pride in your contributions and looks forward to continued scholarship that bridges theory with practice. My best wishes for the success of this newsletter and for all your future initiatives.

Message from the Convener

Dear Friends, Warm greetings to One and All! Indeed it's a pleasure to reach out to all of you ever since I took charge on 1st January 2024 as the Convener of the Research Committee 25 on Sociology of Sports, within the Indian Sociological Society (ISS). Previously, I had the opportunity to serve the ISS as an Elected Managing Committee (MC) Member from 1st January 2018 till 31st December 2023, i.e. for a Six Year Term. Serving the ISS is an opportunity which few of us get, but with this opportunity also arrives responsibilities of trying to give the optimum in return, so that ISS grows in greater proportions. I thank the Office Bearers of ISS in helping and assisting me in discharge of my duties and responsibilities.
